10. Grading is a subjective description in the opinion of the cataloger, as to the state of preservation of a particular coin or lot. Such terms are the opinion of the cataloger and shall be deemed to be part of the description and not an attribution. No warranty, whether expressed or implied, is made with respect to such adjectival descriptions, which can and do vary among experts.
11. Please note: Auction sales are not approval sales. You must assume the responsibility for paying for all material that is awarded to you.

24. Bidding in this sale constitutes acceptance by the bidder of all the forementioned terms and conditions of sale.
25. Please remember that the mail is sometimes very slow. Please mail your bid sheet early to be sure we receive your bids prior to the close of the sale.
26. We offer the service of limiting the total purchases of bidders. This service is available only to the bidders who wish to limit purchases of \$500 or more. To limit purchases, simply fill in the proper areas on the mail bid sheet. Bids may then be submitted for amounts up to three times the amount of your limit total figure. You may also enter your bids in an order of your preference. We will attempt to buy for you up to your limit in the order you designate. You may also select to bid on two similar lots with instructions to buy only one of them. For instance, if lot 102 and 103 were similar and you wanted only one of them, bid on both with instruction to buy only one. We will then attempt to buy for you one of the two for the lowest price.

Para fijar un límite, simplemente anote en el espacio correspondiente en su hoja de ofertas. Las ofertas entonces podrán ser sometidas por cantidades hasta un máximo de tres veces más la cantidad de su límite en total. Ud. también puede someter sus ofertas en un orden de preferencia. Intentaremos de comprarle hasta su límite y en el orden por cual nos designe. Ud. también puede pujar en dos lotes similares con la instrucción de comprar solamente uno de los dos lotes. Por ejemplo, si los lotes 102 y 103 son similares y Ud. solamente quiere uno de los dos, haga su oferta en los dos lotes con la instrucción para comprar solamente uno. Entonces nosotros intentaremos de conseguirle uno por el precio más bajo de los dos lotes.

INSTRUCTIONS TO NEW MAIL BIDDERS

Bidding by mail permits you to participate in an auction as though you were attending it in person. The procedure is really quite simple. You tell us what you want, and the maximum amount you are willing to pay. We then, as your personal agent, try to buy the items listed for you at the lowest possible price.

The enclosed mail bid form has two sides for you to fill in. The front side provides all the information we will need to register you as a bidder, execute your bids for you and deliver your lots to you if you are a successful bidder. Please answer all the questions that may apply to you. If you have any special mailing instructions or and/or other instructions, please note them in the "special instructions" are of your bidsheet. **DON'T FORGET TO SIGN YOUR BIDSHEET.**

LOT	BID
#5	\$300
#37	\$400
#157	\$600
#250	\$700

On the back side are pairs of columns where you may list your bids. After carefully reading the lot description, write down the lot number and the maximum amount you are willing to pay for that lot. Don't forget that a 15% buyer's fee will be added to your actual purchase price if you are the lucky bidder. Continue to list lot numbers and bids for each of the lots you are interested in buying.

When we receive your bidsheet, we will record your bids at the amount you have authorized us to bid for you, and we will, in addition, note any lots where an increase is authorized if absolutely needed to win the lot. For example, if the sample bidsheet shown at the right were yours, we would enter your bid on lot #5 as \$300. If yours was the highest bid received, you would be the purchaser at \$300 (plus 15%), and applicable taxes and shipping charges. If the second highest bid received on the lot was substantially less, your bid would be reduced to a "normal" increment above the second-highest bid, just as it would be if you were present at the sale yourself to execute your own bids. If you have authorized a percentage increase on the front side of your bidsheet and the bidding by others has exceeded your basic bid, we will then, as your personal agent, increase your bid to the minimum amount necessary to obtain the lot for you. The authorized increase will never be used except when your basic bid is exceeded.

Before you mail your bidsheet, do be sure to check it over to make certain you have bid on the correct lot(s) and that your bids are the ones you are both willing and able to pay for. Enjoy the catalog, place bids on everything you would like to buy. If time is running out and you feel your bidsheet may arrive too late to be included, you may call our office between the hours of 9:00 a.m. and 5:00 p.m. Monday through Friday, giving us the lot numbers and amount you will pay for each lot, over the telephone. Please make sure you immediately send in your bidsheet for confirmation. Also, you may FAX your bidsheet to us. As your personal agents we wish you every success.

VIEWING OF LOTS

Lots will be available for viewing by prospective bidders at our office each day, Monday through Friday, by **APPOINTMENT ONLY**, between the hours of 9:00 a.m. and 5:00 p.m. October 18, 1999 through November 4, 1999 only.

PAPER MONEY COLLECTING CHALLENGES AND OPPORTUNITIES

Well, here we are with another auction catalog; we just finish one of these productions and we're up to our elbows in the next one, but we must be doing it right as we always have interesting material to offer.

In this present auction are some banknotes which have been long-time favorites of mine, both as a collector and from the time I issued my own paper money price lists (1972-90), namely from the Danish West Indies, Greenland, Panama and Tibet; there are many other great notes in this sale, but I am going to limit my commentary to several of our South American offerings, notably Paraguay and Peru, as well as several specialized areas, provisional or emergency banknote issues.

Paper money issued by the central bank of Paraguay between 1856 and the 1940's, P-1 through 177, poses many challenges for the collector; many of the notes produced during this period are difficult to locate in Very Fine or better condition and quite a few are hard to find in any state of preservation. We have previously had several decent offerings of notes from the 1850's to the time of the Triple Alliance War as well as several selections from then to modern times, but nothing to match the variety in this sale.

During the past 8 years, since the 1990 and 1991 auctions of American Bank Note Company archival materials, someone carefully assembled the extensive selection of over 50 different ABNC Specimen notes of the Paraguay central bank issues (between P-95 and P-168, lots 161-213), including 7 of the 1903 series which are represented by both printing varieties as well as the 1923 50 and 100 Pesos "star" and "lion" reverse varieties. Also offered are ABNC 1883 Banco del Paraguay 10 and 20 Centavos Specimens (P-S122 & S123, lots 214 & 215), two quite scarce pieces. I especially like the 20 Centavos with its jaguar vignette - the same as on the Mexican Banco de Nuevo Leon 5 Pesos (P-S360). Not only is this a wonderful opportunity for you to obtain nearly all of the different ABNC Specimen notes of the central bank of Paraguay, these notes gave me the chance to become more familiar with the "Paraguay Paper Money Catalog 1849-1959" by Miguel Angel Pratt Mayans and Carlos Alberto Pusineri Scala; if you have any interest in South American banknotes (especially in notes of Paraguay) you should (or need to) have this book.

Our selection of material from Peru is similar to that of Paraguay in that it is an extensive selection of 34 different ABNC Specimens ranging from 1914 to 1947, P-25 to P-69A (lots 216-249), and comprises the majority of types printed by ABNC during this period. The 1914 and 1918 Cheques Circular series issued notes are quite scarce and are both represented by 1/2, 1 & 5 Libras Specimens; the 1922 Banco de la Reserva series contains Specimens of the same denominations. The remaining 23 Specimens extend from P-66 to P-69A and include a variety of different dates and Series letters; specialists will need to dig out their checklists! Also offered is an issued 1874 Banco Anglo-Peruano 1 Sol, a Banco Garantizado 1876 2 Soles and a Banco la Providencia 1867 1 Sol (lots 250-253), all very scarce notes in any condition.

Changes in governments, note issuing authorities, buying power of notes due to hyperinflation or major emergencies, etc., often are reflected in banknotes issued within a country or region through official overprinting of notes in circulation at the time to denote a change of status or value. Items of this sort tended to circulate only briefly, being replaced by new banknote issues within a fairly short period; many of these items are quite scarce. Not only are these collected by “country” collectors, they are very popular with collectors of “emergency” or “provisional” material.

In this sale we have several examples of these scarce pieces, starting with an Argentina Banco Nacional 10 Pesos of 1888 (P-S1094a) with a Banco Nacional revalidation overprint of 1894 to indicate its continued validity (P-S1094d, lot 5); overprints of this nature for 1890, 1891 (2 different) 1894 and 1897 on notes of Argentine banks would form a major collection! When Brazil became a republic in 1889, numerous banks were authorized by the new government and in many instances overprinted their names on notes issued by the Imperio do Brasil or other banknotes issued prior to 1890; the example we have in this sale is a Banco de Sao Paulo undated overprint on an Imperio do Brasil 10 Mil Reis of 1883 (P-S681, originally P-A258, lot 17).

Colombia presents us with several different emergency or provisional overprinting types, the first being a 1946 50 Centavos overprinting on left or right halves of 1 Peso notes of 1942-43 (lots 42 & 43 [large lot]); this was done to alleviate a shortage of 50 Centavos coinage. Several notes reflecting provisional issues of a new bank are in lots 54 & 55, 1921 Banco Lopez overprints on Banco del Ruis 5 & 10 Pesos of 1919 and 1905 (P-S575b & S576, originally P-S8236 & S824) and lots 57-59, 1899 Banco Nacional overprints on Banco Internacional 1, 5 & 10 Pesos of 1884 (P-S647-S649, originally P-S561-S563) and lot 148 contains a similar item from Mexico, a Banco Mercantil de Yucatan 1899 50 Pesos with a Banco Peninsular Mexicano overprint (P-S461, originally P-S456). The last overprinted item from Colombia is a 1900 Provisional Government Peso with a purple “REVOLUCION” overprint (in lot 62); I have no idea what this unlisted item really is.

There are several other types of overprints or counterstamps which indicate a change of status in banknotes, notably those denoting redemption or cancellation of a note (see lot 18, Thesouro do Estado de Sao Paulo 1932 Mil Reis overprinted “CANCELADO/POR DOACAO”, P-S861b, and lot 283, a Uruguay Banco de Londres y Rio de la Plata 1883 10 Pesos stamped “INUTILIZADO”, P-S242a), as well as indications of bank branches which would be responsible for the issuance of the notes (see lot 131 - Banco de Londres y Mexico 1897 100 Pesos with a “SAN LUIS POTOSI” stamp or overprint, P-S237l, and lot 278, a Uruguay Banco Nacional 1887 10 Pesos overprinted “MINAS”, P-A93).

For someone interested in this sort of topical collecting, an incredible array of opportunities exist, some quite inexpensive, others not. Happy collecting!
